3. Cosponsored Programs, Stanley I. Greenspan, M.D., Chairman  
The committee did not report at this meeting.
4. Government Relations and Insurance - John J. McGrath, Chairman  
Dr. John McGrath, Chairman of the Committee on Government Relations and Insurance addressed the Council. He requested the adoption of the following resolution:

It is the position of the American Psychoanalytic Association that Psychoanalysis, as a recognized and effective treatment for certain nervous and mental illnesses, should be made available in all health care delivery and financing systems. It should be offered on the same basis as all other treatments, without discriminatory provisions of any sort when it is provided by a fully qualified practitioner.

The resolution was adopted unanimously.

5. History and Archives, Sanford Gifford, M.D., Chairman  
The committee did not report at this meeting.
6. Little Fund, Joseph Nemetz, M.D., Chairman  
The committee did not report at this meeting.
7. Peer Review, Sol Altschul, M.D., Chairman  
The report of this committee can be found in Appendix G.
