

2017 National Meeting Dine-Around

New York City restaurants set their tables for APsaA attendees

Wondering what to do for dinner after conference hours? If you want to enjoy a relaxed evening of dinner and conversation with fellow conference attendees, the Dine-Around Committee has you covered! The committee members have selected some of their favorite restaurants and will take care of reservations, all you have to do is sign up for a memorable meal with friends and soon-to-be-friends. The Dine-Around is scheduled for Tuesday, January 17 at 7:00 p.m.

A Dine-Around is a casual dining experience with fellow APsaA attendees who want to enjoy a nice meal and interesting conversation. Dine-Around attendees are responsible for the cost of their meal, drinks, and associated tip.

The Dine-Around is one more way that APsaA conference attendees can make the most of the conference and connect with colleagues.

There are five Dine-Around options for Tuesday, January 17 at 7:00 p.m.

To join a Dine-Around, you must pre-register (as though you were pre-registering for a session). The host decides on the number of participants; once that maximum has been reached, the group will close. Please note, there will be no on-site registration for the Dine-Around.
