APPLICATION FOR ACTIVE MEMBERSHIP
For applicants trained outside of APsaA or IPA Accredited Institutes

We are pleased that you are considering applying for membership. Please complete all parts of this form and submit it along with the $75 application fee to the American Psychoanalytic Association (address below). The deadline dates are APRIL 1st for review by the Membership Requirements and Review Committee (MRRC) at APsaA’s Annual Meeting (June) and NOVEMBER 1st for consideration at APsaA’s National Meeting (January). The MRRC may, at its discretion, direct inquiries to references, sponsors, supervisors and institutes noted in the application. If you have graduated from an organized training program which does not fully meet the recommended guidelines, the MRRC will consider any post-graduation training experiences such as seminars and private supervision. These should be documented in the application. The sum of these graduate and post-graduate experiences must conform to APsaA’s substantial equivalency requirements (See appendix). For those not trained in organized training programs, all psychoanalytic training experiences should be documented. To the degree that you are able, we request that your name appear minimally on any added pages as applications will be blinded.
