

End of an Era Party

Friday, January 20 | 7:00pm-8:30pm | The Starlight Roof

You are cordially invited to a wine and hors d'oeuvre reception marking the end of APsaA's 51 year continuous tenure at the Waldorf Astoria Hotel. Join your colleagues in celebrating this historic transition.

“Meeting Memories”

While you are replying take a moment to reflect on how many meetings you have attended and some of your favorite meeting memories. We would love to hear your anecdotes about special moments that have made a lasting impression. Anything from sessions that stand out as particularly memorable or remember when...

It snowed in the Astor Salon?

Registration was overrun by Vegas style showgirls on their way to the Grand Ballroom?

The meeting was held in December and the Waldorf lobby was decorated for the holidays?

The arrangements committee, chaired by Muriel Laskin, walked into the sessions to make sure the room was set correctly?

The spouses of members would host a hospitality suite in Vertes U and V on the 4th floor?

APsaA will feature the best responses in promotional material so be sure to add your memories to the list. Don't miss out on what will be a truly special event. We look forward to seeing you in January!
